Community

## 2019 Summer Camp Scholarship Application

*(One form per family)*

The impact of spending time at summer camp is an experience unmatched by any other. At Asbury Church we believe that every child deserves an opportunity to go to summer camp, but recognize that some families might require some help.

Asbury Church has partial Summer Camp Scholarships available. These scholarships are available to Asbury Church families who wish to send their child/children to Pocono Plateau, Gretna Glen, or Camp Innabah. The funds for these scholarships are made possible every year through generous donations by the Asbury Community.

- To be considered for the 2019 summer camping season, please fill out this scholarship application and submit it to the Asbury Church office by **May 31, 2019**.
- Please prayerfully consider the portion you are able to contribute to the camper's fees. Scholarships are non-needs based. Limited funds are available; therefore, we are not able to grant full scholarships (any remaining balance must be met by the parent or other sources). Travel expenses to and from camp are not included in the amount awarded.
- If camp attendance is contingent upon receiving a scholarship, please **DO NOT** register prior to hearing back from the Asbury Church staff. We do not want you to assume that we can provide enough funding for your child to attend and consequently do not want to tie up your money, which would be subject to cancellation policies.
- We do not consider aid for multi-week stays. The Summer Camp Scholarship fund's mission is to assist in getting as many children to experience camp as possible.
- All scholarship funds will be mailed directly to the designated camp by the Asbury Church office.
- Please contact the Asbury Church office with any questions regarding the Asbury Camp Scholarship fund or this application.

*PLEASE FILL OUT THE INFORMATION ON THE OTHER SIDE OF THIS FORM* ➡
